

"Whispering" Aromatherapy Platform

Introduction: This work is a cultural and creative product of international cultural integration. The refined elements come from the Thai Lanna culture and the Zhuang culture of Guangxi, China.

"Whispering" is a typical artistic representative pattern of Thai Lanna culture. This work uses its beautiful meaning in the creation of the aromatherapy platform, symbolizing the longevity of the friendship between Thailand and China .

Principles: Taking practicality, beauty, regionality, and uniqueness as the design principles, embodying cultural and artistic values, and designing different themes for different ages, which is rich in diversity and interest.

Process: The aromatherapy platform is mainly in the shape of a moon. The moon is the carrier of human lovesickness, which means the inter-mind communication between lovers. The moonlight illuminates the pure friendship between Thailand and China. Decorated with laurel, the laurel is a symbol of Guangxi, China, representing fragrance and honor. Fragrant strips are made of Ai leaves, sandalwood, etc. Its function is to create a dynamic effect of a fairyland on earth, and more importantly, it has a sterilization and antiviral effect on the air during this special period. With the whispering images of Lanna men and Zhuang girls as the main design, it reflects the integration of contemporary multicultural art-the

trend of art internationalization.

Materials and technology:

1. Size of the aromatherapy platform: The length, width and height are 38cm ,12cm and 30cm.

2.The whispering images of Lanna men and Zhuang girls are made of clay.

3. The sweet-scented osmanthus is made of porcelain, the mountain shape and the table top are all solid wood, the moon-shaped lamp ring is LED light, and the wrapping material is synthetic material.

4. The material of the mugwort aromatherapy container is iron art, and the fragrant strips are made of Ai leaves, sandalwood, etc.

Conclusion: Through the refinement of the typical representative pattern of Lanna culture, "whispering", combined with Zhuang characteristic elements (dress, osmanthus, etc.) to carry out artistic innovation and design based on the design of local culture, symbolizing the beautiful implied meaning of the long-lasting friendship between Thailand and China .
